

**Mentoring and Recruitment Committee**  
**Dolores Judkins, Chair**  
**March 21, 2007**

---

The mentoring committee consists of the following people:

- PNC Regular members: Lisa Oberg, Ann Madhavan, Liisa Rogers, Heidi Sue Adams, Kathy Fatkin.
- PNC Student members: Nikki Dettmar, Joan Truncali, Dana Haff

Currently students are working on a web page that will list library school programs that have internships/practicum, with a note as to whether they have an emphasis on medical librarianship, and they will be requesting from PNC members information about those who would like to host a library student. This should be completed by May.

The committee will have an online discussion on the purpose of the committee and what other projects we would like to work on.
