

Membership Secretary Report

PNC/MLA Fall 2014 Board Meeting – October 2014

Prepared by Diana Nelson Louden, Membership Secretary

Current Active Members

As of October 7, 2014, PNC has a total of 179 active members. The following table shows details of our active membership according to the Wild Apricot database. Total active members fall under one of three categories: active paid members, active members whose renewal is overdue, and active members with lapsed membership.

Membership Level	Total Active Members	Active Paid Members	Active Members – Renewal Overdue	Active Members - Lapsed
Emeritus	7	4	3	
Individual	147	92	51	4
Lifetime	14	14		
Student (including “free student”)	11	4	7	
TOTALS	179	114	61	4

Because our membership system follows the calendar year, active members are those people who have renewed since December 2013. At this time, the database says that we have 114 members in good standing and 65 active members with overdue or lapsed memberships. According to last year’s membership report, as of September 2013 PNC had 148 active members in good standing.

Twelve people are listed as new PNC members for 2014. Nine are from Washington, one is from California, one is from Idaho, and one is from Oregon. [Note: “New” members can also refer to people whose memberships had been lapsed for long enough to cause their accounts to be archived by the system.]
