

PNC/MLA Liaison to MLA's Credentialing Committee
2005 Report

As chapter liaison, I attended the meeting of the Credentialing Committee at MLA's Annual Meeting in San Antonio, TX in May 2005. No major issues or discussions this year; just work as usual.

I collaborated with liaisons from the South Central Chapter to create a poster, "Fast Track to AHIP: You Can Be a Winner!" that displays, in game board format, the steps to earning (and maintaining) AHIP membership. After each of us displayed our versions at our chapter meetings last fall, we displayed them as a joint poster at MLA's Annual Meeting in San Antonio. The template of the poster has been provided to all Credentialing Committee liaisons for adaptation and use at their meetings. The poster will be displayed again at the 2005 chapter meeting.

I have answered a couple of questions regarding membership but for the most part have had little action.

I have enjoyed serving as the PNC/MLA Liaison Credentialing Committee. Janet Schnall will take my place next year.

This report is informational and requires no action.

Respectfully submitted,

Terry Ann Jankowski, MLS, AHIP
PNC/MLA Liaison to the Credentialing Committee
