

Governmental Relations Committee

2009 report

Chair: Robert Richart

Member: Diana Keto

I continue to monitor relevant mailing lists. I have forwarded messages to hlib-nw on a variety of issues.

The Committee acquired a new member in 2009: Diana Keto from the University of Alberta. Diana offered a number of great suggestions for updating the committee web page at <http://depts.washington.edu/pncmla/govrel/> . The revised page has some new and useful links.

My goals for 2010: 1. Continue to monitor ALAWON, the MLA-GRC and other lists, forwarding relevant messages. 2. Keep the web page up to date.
