

## PNC/MLA MEMBERSHIP ANNUAL REPORT

**Date:** September 19, 2000  
**To:** PNC Executive Board, PNC Membership  
**From:** Barbara Crain  
**RE:** Membership Secretary Annual Report

### 2000 Membership to date:

7	Life members
11	New members
167	Total current membership

These numbers exclude any who might have joined with their annual registration. At the Seattle meeting in 1999 we had 161 members.

### Activities

**Dues notices** were mailed at the beginning of December with follow up second notices at the end of March. The March notice included a brief questionnaire about reasons for lapsed membership. The most common reason was, "I just forgot" followed by a change in job.

**Membership committee** volunteers were appointed at the 1999 Annual Meeting. They are: Loretta Andress-Alaska, Jim Henderson-British Columbia, Kathy Nelson-Idaho, Steve Teich-Oregon, Jan Schuller-Washington, Barbara Crain-Montana. This committee was responsible for contacting lapsed members in their state or province.

**Committee Chairs** were notified of members who volunteered for specific committee assignments on their renewal forms.

**Web Update** was done on the Member list on June 30. We have streamlined the information a bit and plan to update the website quarterly.

**Membership Database** was sent to Kate Corcoran at MLA for Chapter compliance and to Ann Girling for Annual Meeting registration. Mailing labels were provided as requested.
