On Track to the Future

PNC/MILA '95

Pacific Northwest Chapter/Medical Library Association

ANNUAL MEETING

September 13-16, 1995
Bellevue, Washington

WELCOME TO BELLEVUE

The city of Bellevue, located on the eastern shore of King County's Lake Washington, takes its name from the French "beautiful view," describing the city's view of the Olympic and Cascade mountain ranges. The greater Bellevue area hosts a range of opportunities: fascinating museums, eclectic shopping, and scenic wonders. Enjoy your stay!

PLANNING COMMITTEE

Friday, September 15	7:00 a.m. - 10:00 a.m.

Registration Table located in Ballroom Foyer

MESSAGE FROM THE CHAIR

Welcome to this 1995 expression of the most important work we do as a chapter! Whether you have prepared the meeting, will present at the meeting, or will participate in this meeting, it is significant continuing professional development and personal growth. The challenge of visionary national leaders and innovating leaders among our own ranks gives each of us courage. We can return home and try again, in some new way, to make a contribution to the effectiveness of our organization and our health care system. Enjoy!

-Mary C. (Suzy) Holt, Chair

MESSAGE FROM THE PROGRAM CHAIR

Welcome to PNC/MLA for 1995!

The track to the future seems to be speeding by at an alarmingly faster rate every day. This year's program focuses on some of the ways we can prepare ourselves for the changes ahead. The program committee encourages your participation in all the events we've prepared for your enlightenment and your enjoyment. We want to send you home with a sense of excitement. And don't forget to network with your colleagues. Sometimes, the best ideas come from ourselves.

-Betty Jo Jensen, Program Chair 1995

Health Care Technology Forum
"Visions for Technology in Health Care"

This forum highlights collaborative work being done in the application of imaging technologies for health education and patient care. These applications enable networked access to specialty knowledge sources, thus furthering distance learning and telemedicine.

Sponsored by:

National Network of Libraries of Medicine, Pacific Northwest Region

Additional Support:
Seattle Area Health Library Consortium
Pacific Northwest Chapter of the Medical Library Association.
